ACC LAUNCHES www.acclaundry.com

April 2006, Fall River, Massachusetts -- American Credit Corporation (ACC) has just launched a new website to meet the needs of the pre-owned/used commercial laundry equipment consumer. This site will be updated on a daily basis with all of the latest pre-owned equipment available to ACC. All price offerings are the most competitive in the industry.

ACC's user-friendly web design makes online shopping for used laundry equipment extremely easy for consumers. The site features a wide variety of pre-owned laundry equipment including commercial washers, stack dryers, coin machines, soap machines, folding tables, laundry carts and much more. Visitors now have the ability to view each product with its specifications in a clear-cut easy to read format, with the pricing information at their finger tips.

American Credit Corporation offers competitive, hassle-free financing for your laundry equipment. As a division of the world's largest manufacturer of commercial and industrial drying tumblers, we have a vested interest in industry growth and end-user success. To find out more about American Credit Corporation and its pre-owned commercial laundry equipment, visit www.acclaundry.com or call 508-678-9000 ext.119.
